To Whom It May Concern:

Cause #D-1-FM-19-006725

Myself, Shawn Mayer and my minor daughter B[REDACTED] A[REDACTED] Mayer, are not able to attend court in Austin Texas tomorrow, February, 19, 2020 at 8:30 am. We live in Roanoke Texas (North Fort Worth) and we had the subpoena taped to our door this morning with blue painters tape as well as a check made payable to Julia Hubbard, no one knocked to actually serve the papers, with that being said that gives less then 24 hours till the court hearing which is not acceptable and the fact that it is a 4 hour drive to get to Austin. My daughter has school that she cannot afford to miss and I am working on a jobsite that I have committed to the customer to be at for the next 3 weeks. I do not give consent for my daughter that is a minor to testify in court for a case that does not involve her, I am here to protect her not subject her to mental and emotional stress that is involved in this case between Julia and Rick Hubbard. Any questions please feel free to contact me at (682) 999-2139. Thanks

### CHILDREN'S BILL OF RIGHTS

Each child the subject of this suit affecting the parent-child relationship shall have the rights set forth below and shall have the right generally to "be a child" free from any acrimony that may now or hereafter exist between the adult parties to this action.

Each adult party shall make this document known to every other adult who has any significant role in the child's life as a caretaker. It is contemplated that this will include regular baby-sitters, grandparents or other relatives with whom the child regularly visits, and any other person having significant, ongoing contact with the child.

The term "child" as used below refers to each and every child subject to this suit.

- 1 Neither party shall deny the child reasonable use of the telephone to place and receive calls with the other party or relatives. Such use shall be private to the child without unreasonable interference such as rigid adherence to time parameters, or tying up the phone with internet connections or other calls during prescribed times, instructed disconnects for chores, dinner, etc.
- 2 Neither party shall speak or write derogatory remarks about the other party to the child, or engage in abusive, course or foul language which can be overheard by the child whether or not the language involves the other party.
- 3 Neither party shall permit the children to overhear arguments, negotiations or other substantive discussions about legal or business dealings between the parties.
- 4 Neither party shall physically or psychologically attempt to pressure, attempt to influence, pressure, or influence the child concerning the personal opinion or position of the child concerning legal proceedings between the parties.
- 5 Each party will permit the child to display photographs or memorabilia of the other party or both parties in the child's room.
- 6 Neither party shall communicate moral judgments about the other party to the child concerning the other parties' choice of values, life-style, choice of friends, successes or failures in life (career, financial, relational) or residential choice.
- 7 The parties will acknowledge to the child that the child has two homes although the child may spend more time at one home than the other.
- 8 The parties shall cooperate to the greatest extent practicable in sharing time with the child.
- 9 Neither party shall suggest to the child that it is the child's option whether or not to engage in visitation during the other party's time for possession and access.
- 10 Each party will permit the child to retain, and allow easy access to, correspondence, greeting cards and other written materials received from the other party.

- 11 Each party will respect the physical integrity of items possessed by the child which depict the other party or remind the child of the other party.
- 12 Each party will assist and encourage the child's attendance and participation in church, temple or other organized religious activities if such is the desire of the child.
- 13 Neither party will trivialize, or deny the existence of the other parent to the child.
- 14 Neither party will interrogate the child about the other party nor will either party discourage comments by the child about the other party.
- 15 Neither parent will intercept, "lose", derail, "forget" or otherwise interfere with communications to the child from the other party.
- 16 Neither party will refuse to acknowledge that the child can have or should have good experiences with the other party.
- 17 Neither party will directly or indirectly attack or criticize to the child the extended family of the other party, the other party's career, the living and travel arrangements of the other party, or lawful activities of the other party or associates of the other party.
- 18 Neither party will use the child as a "middle-man" by using the child to communicate with the other party on inappropriate topics.
- 19 Neither party will undermine the other party in the eyes of the child by engaging in the "circumstantial syndrome" which is done by manipulating, changing, or rearranging fact.
- 20 Neither party will create for, or exaggerate to, the child differences between the parties.
- 21 Neither party will say and do things with an eye to gaining the child as an "ally" against the other party.
- 22 Neither party will encourage or instruct the child to be disobedient to the other party, stepparents, or relatives.
- 23 Neither party will reward the child to act negatively toward the other party.
- 24 Neither party will try to make the child believe he or she loves the child more than the other party by, for example, saying that he or she loves the child more than the other party or over-informing the child on adult topics or overindulging the child.
- 25 Neither party will discuss child support issues with the child.
- 26 Neither party will engage in judgmental, opinionated or negative commentary, physical

inspections or interrogations once the child arrives from his/her other home.

- 27 Neither party will "rewrite" or "rescript" facts which the child originally knows to be different.
- 28 Neither party will punish the child physically or threaten such punishment in order to influence the child to adopt the parent's negative program, if any, against the other party.
- 29 Neither party will permit the child to be transported by a person who is intoxicated due to consumption of alcohol or illegal drugs.
- 30 Neither party will smoke tobacco materials inside structures or vehicles occupied at the time by the child.
- 31 Each party will permit the child to carry gifts, toys, clothing and other items belonging to the child with him or her to the residence of the other parent or relatives or permit the child to take gifts, toys, clothing, and other items belonging to the child back to the residence of the other party, as the case may be, to facilitate the child having with him or her objects important to the child. The gifts, toys, clothing, and other items belonging to the child referred to here mean items which are reasonably transportable and does not include pets (which the parties agree are impractical to move about).

**GUARDIAN REPORT TO THE COURT****D-1-FM-19-006725**

ITIO: S [REDACTED] L [REDACTED] H [REDACTED]

October 29, 2021

May it please the court

An order was sent to the Domestic Relations Office on February 13, 2020 and assigned on the same day to GAL Cynthia Gonzalez then subsequently re-assigned to GAL Marina Chapel, and ultimately, in May of 2021, to this GAL.

These parties, Julia Alexis Hubbard ([REDACTED]/1981) and Richard L. Hubbard ([REDACTED]/1973) have waged a fierce, if fruitless, battle over parenting S [REDACTED]. Both have been emphatic as to who is the better parent. Both histories include criminal and extensive drug involvement, neither has been consistently compliant with any GAL, hence the inability of the GALs to run complete, successful, and meaningful investigations. This GAL has been equally frustrated as my predecessors. The situation as it stands is that Ms. Hubbard now resides in Northern VA, together with S [REDACTED], who recently has expressed to this GAL that she is happy, feels safe and secure and has no desire to see her father, whom she describes as "not right". S [REDACTED] further stated that she loves her father but that he would need to make "a lot" of changes for her to be in his life. S [REDACTED] claims to have made many friends and "loves" her school. School records from her Elementary School, indicate that S [REDACTED] attends consistently and is thriving with good grades and a positive attitude. Per her teacher, "She has all 3's and 4's, is actively engaged every day in each subject and always working hard". Further, she adds that she has no concerns academically, behaviorally, or socially and that S [REDACTED] is "a joy to have in class".

When this GAL has spoken with Ms. Hubbard, she is positive and enthusiastic about her new situation, feels very much at home in Northern Virginia and reports that things with S [REDACTED] are going very well (substantiated by S [REDACTED]). She acknowledges it's been a rocky road to this point, but she has turned a corner and is enjoying life as never before. Ms. Hubbard notes that Mr. Hubbard and her drug involvement did her no good at all and she is delighted to be free of both. Her focus at this point is S [REDACTED] and advancing her own career. Ms. Hubbard has become involved with and engaged in anti-human trafficking endeavors, has become politically active and is a member of a committee/panel at which she speaks regularly. She has been commended by members of the government for her work in this area. It would appear Ms. Hubbard has found her niche, to her credit, beneficial to herself and her daughter.

Ms. Hubbard submitted to testing at Concentra in Virginia. Currently, this GAL does not have any results.

Mr. Hubbard has been difficult – to say the least - to work with to the point of being impossible. On the occasion he might be available, he is loud in asserting that his daughter was stolen from him and needs to be returned immediately. He also tends to make threats, regarding S [REDACTED] stating that when she is returned to him, they will leave the US and won't be coming back. There has been an incident of reported child abduction, where Mr. Hubbard alleged Ms. Hubbard had "kidnapped" S [REDACTED]. Ms. Hubbard saw it more as rescuing her daughter from Mr. Hubbard, who, at that time, was known to have connections to a drug cartel. There are several drug related charges pending against him, as well as charges for aggravated assault, fraud, and sex trafficking. During one of the few conversations this GAL had with Mr. Hubbard he expressed his frustration at all the lies told about him, that he loves his daughter but that she was being withheld from him. Mr. Hubbard refused drug testing and would not come to the DRO for a meeting with this GAL – neither was I "allowed" to visit him. He relocated several times during the pendency of this case in the general vicinity of Boerne, TX, and surrounding area. Nothing about Mr. Hubbard or his lifestyle recommends him to this GAL as a parent to S [REDACTED].

Given the lack of participation of Mr. Hubbard it has been impossible to produce recommendations of any value – a circumstance experienced by both previous GAL's and myself. Due to concerns about disclosing potentially protected information, not all details have been included in this report. Additional information may require an in-camera review by the court.

Respectfully submitted

- b. Respondent has no history of arrest or criminal record of any kind, and has passed all drug screenings requested by Guardian ad Litem.
- c. There has been no exposure to violence or risk to the Minor Child's safety since she has been in the custody of Respondent.
- d. Minor Child is thriving in the custody of the Respondent. Minor Child's physical health and hygiene has improved since in the care and custody of Respondent. Minor Child sees a pediatrician and dentist regularly. She is up to date on all immunizations and is regarded as very healthy.
- e. Respondent and Minor Child are both in comprehensive therapy. Minor Child has no behavioral issues. Petitioner has refused any mental health counseling.
- f. Minor Child attends one of the highest ranked schools in the nation and lives in one of

the safest communities in Northern Virginia. She has excellent school attendance, makes great grades, serves as class representative, and is involved in extracurricular activities such as art and viola. The Minor Child missed over 40 percent of school when she was in the care and custody of Petitioner.

- g. Minor Child is happy and social. She has many friendships both at school and in her neighborhood.
- h. Respondent has maintained healthy relationships with Petitioner's family and allows Minor Child contact with Petitioner's family, where appropriate. When Minor Child was in the custody of Petitioner, he did not allow her to have contact with Respondent or any extended family.
- i. Respondent has an extensive support system made up of immediate family members, extended family members, and close friends in the area.
- j. Minor Child has expressed to Guardian ad Litem and Respondent that she "wants nothing about her life to change."

8. Petitioner is not a fit or proper person to have custody of the Minor Child, for the following reasons:

- a. Respondent has serious concerns about Petitioner's ability to care for Minor Child's physical and emotional needs. It is the Respondent's understanding that Petitioner is currently unemployed and homeless.
- b. Petitioner has been physically and sexually abusive towards the Respondent. For example, on or about March 17, 2017, Petitioner pointed a gun at Respondent's head and said "I should have killed you years ago." Respondent reported this to the Dallas County Police and Petitioner was arrested. Respondent and Minor Child

have a Protective Order against Petitioner, Case No. JA435485-01-00, entered in Fairfax Juvenile and Domestic Relations General District Court on April 7, 2020.

- c. Petitioner was arrested for Aggravated Assault with a Deadly Weapon in January of 2021. Petitioner has a lengthy arrest and criminal record. Respondent has witnessed acts of violence and harassment towards Petitioner's other intimate partners while the Minor Child was present. Additionally, Petitioner has had two judgments against him for Fraud since 2020.
  - d. Petitioner is currently under investigation for sex trafficking, fraud, and other violent crimes. Respondent has been working with federal and state authorities and has been critical in the collection of evidence for the ongoing investigations.
  - e. Petitioner has several documented cases with Child Protective Services.
  - f. Petitioner has threatened to abscond internationally with the Minor Child to both the Respondent and the Guardian ad Litem.
  - g. Minor Child has expressed fear of being taken by Petitioner and is fearful of being away from Respondent. Minor Child has expressed that she does not feel safe when she is with Petitioner because Petitioner has made her aware that she was being pursued by "a bad Mexican man trying to take her away from him."
  - h. Minor Child has expressed that Petitioner would have to make "a lot of changes" before she would want to see Petitioner.
  - i. Respondent has serious concerns about Petitioner's mental health and documented history of substance abuse.
9. Respondent does not know of any other person not a party to this action who claims to have custody or visitation rights with regard to the Minor Child.

10. Respondent is not seeking child support for the support and maintenance of the Minor Child.

11. Because of Petitioner is in no way a fit and proper parent to the Minor Child, Petitioner's physical and sexual abuse of the Respondent, Petitioner propensivity towards violence, abuse, and criminal activity; Petitioner's excessive substance use; and Petitioner's mental health and general inability to care for the Minor Child's physical and emotional needs, Respondent requests sole physical and legal custody of the Minor Child with no visitation, as supported by the findings of the Guardian ad Litem.

WHEREFORE, Respondent asks this Court to:

1. Award her permanent sole legal and physical custody of the Minor Child, Summer L. Hubbard; and
2. Provide such other and further relief as the Court finds just and proper.

Respectfully submitted,

**Verification in Support of Extraordinary Relief**

I, Julia Hubbard, am the Counter Petitioner in this suit.

1. The Court has jurisdiction over this matter under § 152.201 of the Texas Family Code, because Texas was the home state of, S [REDACTED] L. H [REDACTED] DOB: [REDACTED] (2010), hereinafter “Minor Child,” at the commencement of the proceeding.
2. Richard Hubbard is the biological father of the Minor Child.
3. I am the biological mother of the Minor Child.
4. The Minor Child currently resides with me pursuant to the terms of a Temporary Custody Order, Cause No. D-1-FM-19-006725, issued on February 7, 2020, and Civil Protective Order, Case No. JA-435485-01-00, issued on April 7, 2020. Both Orders granted temporary custody of the Minor Child to me Counter Petitioner/Respondent, Julia Hubbard.
5. Since that date, the Minor Child has resided with the me in the Commonwealth of Virginia.

6. My and the Minor Child's physical address is confidential and protected under Virginia's Address Confidentiality Program, pursuant to § 2.2-515.2 of the VA Code.

7. I am, a fit and proper person to have custody of the Minor Child. I am a mature and stable person who has demonstrated her ability to care for the physical and emotional needs of the Minor Child as evidenced by the fact that I has been the primary caretaker of the Minor Child since February 7, 2020. The Minor Child has a strong emotional bond with the me. I believe that it is in the best interest of the Minor Child that custody be awarded to her for the following reasons:

- a. I am working full-time and, since the last court appearance, I have graduated school as a criminal profiler and human trafficking investigator. Respondent teaches trauma-informed policing and parenting after abuse in partnership with local non-profit organizations.
- b. I have no history of arrest or criminal record of any kind, and has passed all drug screenings requested by Guardian ad Litem.
- c. There has been no exposure to violence or risk to the Minor Child's safety since she has been in my custody.
- d. Minor Child is thriving in my custody Minor. Child's physical health and hygiene has improved since in the care and custody of me. Minor Child sees a pediatrician and dentist regularly. She is up to date on all immunizations and is regarded as very healthy.
- e. Myself and the Minor Child are both in comprehensive therapy. Minor Child has no behavioral issues. Richard Hubbard has refused any mental health counseling.
- f. Minor Child attends one of the highest ranked schools in the nation and lives in one of

the safest communities in Northern Virginia. She has excellent school attendance, makes great grades, serves as class representative, and is involved in extracurricular activities such as art and viola. The Minor Child missed over 40 percent of school when she was in the care and custody of Richard Hubbard.

- g. Minor Child is happy and social. She has many friendships both at school and in her neighborhood.
- h. I have maintained healthy relationships with Richard Hubbard's family and allow Minor Child contact with his family, where appropriate. When Minor Child was in the custody of Richard Hubbard he did not allow her to have contact with me or any extended family.
- i. I have an extensive support system made up of immediate family members, extended family members, and close friends in the area.
- j. Minor Child has expressed to Guardian ad Litem and to me that she “wants nothing about her life to change.”

8. Richard Hubbard is not a fit or proper person to have custody of the Minor Child, for the following reasons:

- a. There are serious concerns about Richard Hubbard's ability to care for Minor Child's physical and emotional needs. It is my understanding that Richard Hubbard is currently unemployed and homeless.
- b. Richard Hubbard has been physically and sexually abusive towards me. For example, on or about March 17, 2017, Richard Hubbard pointed a gun at my head and said “I should have killed you years ago.” I reported this to the Dallas County Police and he was arrested. Myself and Minor Child

have a Protective Order against Richard Hubbard Case No. JA435485-01-00, entered in Fairfax Juvenile and Domestic Relations General District Court on April 7, 2020.

- c. Richard Hubbard was arrested for Aggravated Assault with a Deadly Weapon in January of 2021. He has a lengthy arrest and criminal record. I have witnessed acts of violence and harassment towards his other intimate partners while the Minor Child was present. Additionally, Richard Hubbard has had two judgments against him for Fraud since 2020.
- d. Richard Hubbard is currently under investigation for sex trafficking, fraud, and other violent crimes. I have been working with federal and state authorities and have been critical in the collection of evidence for the ongoing investigations.
- e. Richard Hubbard has several documented cases with Child Protective Services.
- f. Richard Hubbard has threatened to abscond internationally with the Minor Child to both the myself and the Guardian ad Litem.
- g. Minor Child has expressed fear of being taken by Richard Hubbard and is fearful of being away from me. Minor Child has expressed that she does not feel safe when she is with her father, Richard Hubbard because Richard Hubbard has made her aware that she was being pursued by “a bad Mexican man trying to take her away from him.”
- h. Minor Child has expressed that Richard Hubbard would have to make “a lot of changes” before she would want to see him.
- i. There are also serious concerns about Richard Hubbar’s mental health and documented history of substance abuse.

9. Richard Hubbard has been cruel to animals in front of the Minor Child. For example he shot his neighbors pig, without permission in front of minor child, as well as the piglets, and hung them up. The minor child witnessed the death of her pets because Richard Hubbard would not buy food for them, blaming it on me.

10. Richard Hubbard has been pursued by dangerous individuals to whom he owes money and those same individuals have pursued the Minor Child.

Richard Hubbard's's physical and sexual abuse of myself, his propensity towards violence, and abuse of both people and animals, and criminal activity; his excessive substance use; and his mental health and general inability to care for the Minor Child's physical and emotional needs, I am requesting the sole physical and legal custody of the Minor Child with no visitation, as supported by the findings of the Guardian ad Litem.
